Excellence in Polymer Flooring
Manufactured Since 1952

FloroWear
High Traffic Urethane

FloroWear, with its silk matte finish, is highly wear-resistant and is the ideal choice for high traffic areas.

Floro

FloroWear provides long-lasting flooring value for busy retail, commercial, manufacturing and institutional facilities

An economical high traffic system, FloroWear furnishes superior hardness with exceptional abrasion and scratch resistance. Able to withstand exposure to a wide array of chemicals and solvents, this attractive impermeable finish outperforms many varieties of polished concrete and floor sealers. It reduces maintenance costs with its long-lasting, no-wax surface and keeps floors from producing concrete dust, helping to safeguard air-filtration systems and inhabitants alike.

- Unsurpassed durability and wear
- Withstands steel wheeled traffic
- Beautiful satin finish provides mild slip-resistance
- Easy to clean with no waxing
- Non-yellowing, color-stable
- Highly chemical and stain-resistant
- Low emissions during installation
- 100% formaldehyde and phthalate-free
- Contributes to USGBC® LEED points
- Complies with VOC regulations
- Tintable clear, using standard or custom Florock colorants
- Anti-microbial FloroSeptic® protection available
- May be used as finish coat over other Florock flooring systems
- Impressive lifecycle value!
